

San Clemente Track and Field Advertising and Sponsorship Information

The San Clemente Track and Field program will be hosting the 11th Annual Triton Invitational Track and Field Meet on March 18th, 2017. The meet annually draws almost two thousand athletes, and several thousand fans from all over Southern California to San Clemente.

In order to offset the cost of hosting this event we must rely on the generous tax deductible sponsorship of individuals and businesses in the San Clemente area. For helping us put on this event, **sponsors will have the opportunity to place an advertisement in our meet program, and/or have a banner created with your business name and information. The banner will hang in the stadium at San Clemente High School throughout the entire Track and Field Season (February through June).**
